

# Mother's Day Flower

What you will need:

- The flower template printed on brightly coloured card (page2)
- Scissors
- Coloured sticker dots
- Drinking straws, ice cream sticks or skewer sticks
- Glue or adhesive tape

Instructions

- Cut out the four squares from the template on page 2.
- Fold each square in half and in half again as shown below.
- Cut out the heart shape and open it up as a flower.
- Stick an adhesive dot in the middle of the flower (optional).
- These flowers can be use as coasters for coffee cups. Encourage the children to make mom a cup of coffee (or tee).
- Alternative: Stick a straw to the back of the flower to act as a stem. Arrange a few different coloured flowers to make a small bouquet.
